THEORY

Shelter is an intimate and upscale cocktail bar. Combining elements from high end hotel bars across the USA and original industrial grunge styles from Eastern Europe, Shelter is a juxtaposition of opulent and casual.

Every element of the space was carefully selected to achieve a balance between artful decay and relaxed elegance. A strong dedication to the concept enabled us to craft a familiar, comfortable experience while still challenging our guests to explore and engage with the environment around them. Shelter aims to break from convention and cliché, by delivering a distinctly European setting in the heart of the new west.

Shelter offers an intimate event space for up to 50 guests. Connect with us to arrange your private event:
